

Message Title: Fearfully & Wonderfully Made Pt-1

Theme: This message begins a study of Psalm 139:14 which reads, “I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well”. It considers why David used the word fearfully in describing what God had shown him about the human body.

Of the last days we are told that knowledge would be increased, and no doubt it has been at an exponential rate, but the more we learn the more mysteries are revealed. Science is still learning how the design of the human ear allows us to separate simple vibrations of air molecules into meaningful neuroelectrical pulses that our minds can understand. From the oddly shaped outer ear which divide and reflect sound waves, known as the Auricle to thousands of microscopic molecular organic springs deep inside the Cochlea which converts vibrations into neuron impulses we are learning some of the genius behind Proverbs 20:12, “The hearing ear, and the seeing eye, the LORD hath made even both of them”.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, “*And call upon me in the day of trouble: I will deliver*

*thee, and thou shalt glorify me*". Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is to know what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, *even* as by the Spirit of the Lord". Truly it has been a life changing experience as God increases and we, without trying, decrease.
