

**Message Title:** Fearfully & Wonderfully Made, The Ear Pt-7&8

**Theme:** These two half lessons are re-edited into one that considers the genius in God’s design of our Auditory Canal and starts into the Middle Ear. Here the complexity continues to increase exponentially from the complexities of the Auditory Canal and then to ultra slight movement of the ear Drum required for us to perceive sounds.

In Daniel 12, the prophecy was made that knowledge would be increased in the last days before Jesus Christ’s return. Then in 2Timothy 3, we are told that perilous times would come and part of that would include people who would be ever learning but unable to come to the knowledge of the truth. Or put another way, they would learn of incredible things and still be able to believe in vain imaginations.

The amount of things necessary just to communicate by speaking and hearing reach levels of intricacy still not understood by modern science, and yet many still believe in the existence of a gigantic explosion that came from nothing and resulted in life much more complicated than everything man can design or built.

**Salient Points:** Important echoes, Noise filtering, The Creator and Savior, The auditory canal, A tuned chamber, Self defending, Self cleaning, Impressed by God’s genius, The turbulent air around us, Created complete, God preprogrammed Adam, 60Hz, Our ultra sensitive ears, The unseen soul, Unbelievable sensitivity, The Living Word created with words, Our amazing noise filtering system, Not made to be self satisfying.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs

nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, "***And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me***". Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is to know what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord". Truly it has been a life changing experience as God increases and we, without trying, decrease.
